

Reassigned Time

Definition

3 units = 0.2 FTE = 7.5 hours/week

| M | T | W | TH | F |
|---|---|---|----|---|
| | | | | |

Reasons

| | |
|-----------------|---|
| By AFT contract | AFT Academic Senate Curriculum |
| By regulation | some CTE coordinators MESA director |
| Other | special programs/projects CIETL SLOAC program coordination |
| “Bought out” | grant funding banked time |

26 faculty

number of faculty (headcount) with reassigned time out of 62 instructional faculty

6.7 FTEF

A transparent process with accountability

propose including reassigned time in the Annual Plan

Possible Questions

- Does your program need its reassigned time to continue at current levels? Explain. Are there ways to mitigate the loss/reduction of this reassigned time?
- Does your program need new/additional reassigned time? Explain. How will you mitigate the loss of full-time instructional faculty?
