- II. **Introductions! – 3:05 to 3:20**

- Introduced Juan Vera and Gonzalo Arrizon to the Counseling Division

- III. **Spring Faculty Evaluation Timeline Review – 3:20 to 3:35**

- Max shared the new evaluation deadline form which shows all the deadlines for the entire semester for adjunct, full time and comprehensive evaluations

- Something to think about... Do we want to start having a Eval guidance committee with the required 3-5 people to serve?

- IV. **CRER Dual Enrollment – 3:35 to 4:00**

- Duel enrollment - College courses on high school campuses for high schoolers

- Daryan - Not all the high schools have the same support that Pescadero has as it is a smaller campus

- There doesn't seem to be the same consistency amongst all the high school campuses as far as support goes

- Gloria - Can students withdraw from a course at the high school the same as they would on our campus?

- Daryan - They work with Samantha and Mayra should they need to drop any of their courses. That would be following any and all reminders regarding their progress or lack there of in the course

**If you have items you would like included on a future agenda please add them to the google doc here:**
