<b>1. Welcome to this Space</b>			
<p>We would like to acknowledge that Cañada College sits on the traditional land of the Ramaytush (Rah-my-toosh) Ohlone (Oh-LOW-nee) peoples, and to pay respects to past elders and honor the present community. Long before Cañada College existed, this area was home to the Ramaytush Ohlone peoples who still have a presence in the bay today. Let us not forget the colonization of this land. Let us honor the people who have stewarded this land for generations, and let us honor the truth. (This land acknowledgement was co-created with students, Student Life, and Dr. Cordero from the Association of Ramaytush Ohlone).</p> <p>EAPC MISSION: The mission of the Equity and Antiracism Planning Council is to disrupt and dismantle systemic racism and White supremacy for our college community in pursuit of equity, antiracism, justice and liberation.</p> <p>Gratitude to Nimsi Garcia for suggesting <a href="#">Community Agreements for Respectful Dialogue</a> + Sticky Notes + Fidget Aids Available</p> <p><b>Time Keeper</b></p> <p>There are so many important things to discuss together. <b>5. Community Building</b>			
a. EAPC Community Building	All	10	

This community building time has been intentionally created to provide areas for us to build understanding, connection, and learning with one another.

Groups of 2-3 people.  
10 minutes for the activity is about 3-5 minutes to share per person.

- 1.) Please share one of your favorite memories connecting with the land--mother earth and nature.
- 2.) What are ways you connect your curriculum, services, and personal practice to Indigenous peoples and communities?

Michiko

We love and appreciate that Jaqueline Gonzalez has suggested we make the development of these community building opportunities open to EAPC members to create. Is there anyone interested in building a 10-15 minute community building for Spring 2024 and joining us for an EAPC tri-chairs meeting?

<b>c. Land Acknowledgement Consistency</b>	<i>Michiko</i>	3

More and more events, meetings, groups, and community partners have asked our college about a land acknowledgement (as a very first initial action in decolonizing praxis). As of right now, we have posted the land acknowledgement we stated at the beginning of your meeting on the EAPC website since it is the one that Student Life created in collaboration with Dr. Cordero of The Association of the Ramaytush Ohlone.

"We would like to acknowledge that Cañada College sits on the traditional land of the Ramaytush (Rah-my-toosh) Ohlone (Oh-LOW-nee) peoples, and to pay respects to past elders and honor the present community. Long before Cañada College existed, this area was home to the Ramaytush Ohlone peoples who still have a presence in the bay today. Let us not forget the colonization of this land. Let us honor the people who have stewarded this land for generations, and let us honor the truth."

**For consistency and the importance of "nothing about us without us" EAPC will vote on whether to "officially adopt" this land acknowledgement as the official land acknowledgement for our college.**
