DIRECTIONS:

Per Education Code 76060.5, if a student body association has been established at a community college as authorized by Section 76060, a student representation fee of two dollars ($2) shall be collected by the officials of the community college, together with all other fees, at the time of registration or before registration. The money collected pursuant to this section shall be expended to provide support for governmental affairs representatives of local or statewide student body organizations who may be stating their positions and viewpoints before city, county, and district governments, and before offices and agencies of state government.

One dollar ($1) of every two-dollar ($2) fee collected shall be expended to establish and support the operations of a statewide community college student organization, recognized by the Board of Governors of the California Community Colleges, with effective student representation and participation in state-level community college shared governance and with governmental affairs representatives to advocate before the Legislature and other state and local governmental entities.

A representation fee of $2 per student per semester was established by an election of the student body at Cañada College, College of San Mateo, and Skyline College. Under applicable provisions of the Education Code, the students established the representation fee by a two-thirds majority vote of students at each College who voted in the election. The fee is not covered by financial aid and is not refundable unless an action of the College prevents the student from attending.

A student has the right to refuse to pay the student representation fee. To do so, please complete the information below and return this form to the Cashiers office (as noted at the top of this form). It must be received by the last day to drop a semester length class.
