Final Questions

How would your program be impacted if this position is not funded? *

-Currently we do not have a position on campus that supports faculty related to teaching.

----In September 2021, a revised position was put forward and approved by the college that focuses on Flex Day planning and the needs of the Professional Development Planning Committee (it's a campus-wide professional development planning position). But this new position leaves us without a faculty coordinator position that focuses on "innovation and excellence in teaching and learning" (the "IETL" in CIETL). The former CIETL faculty coordinator position has been vacant since December 2020.

----Our sister colleges have robust "IETL" programs.

-----For example, Skyline has FIVE faculty to support professional learning listed on their Academic Support and Learning Technologies division webpage, in addition to classified staff:

--Distance Education Coordinator (full-time faculty)

--2 Instructional Designers (2 full-time faculty)

--Coordinator (faculty: .4 FTE)

--Faculty Services Librarian (faculty)

--2 Instructional Technologists (classified)

--Instructional Aide (classified)

----Cañada has no full-time faculty support in our Academic Support and Learning Technologies division. In fact, there are no faculty listed on the webpage via the "contact us" link (unlike Skyline). As for support, we have the following:

-Distance Education Coordinator (Faculty: .2 FTE)

-TEMPORARY Distance Education Coordinator (Faculty: .2 FTE)

-1 Instructional Technologist (classified)

-CIETL Coordinator: VACANT since December 2020

Anything else you would like us to know? For example, awards, recognition from the community, student highlights, etc.

On October 28th, 2021, Cañada College Academic Senate voted to support this position and the creation of a subcommittee of Academic Senate focused on teaching.
