

SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT

FACILITIES MASTER PLAN

CAÑADA COLLEGE

MASTER PLAN GOALS

Ensure facilities conditions are suitable for **current and future need** and identify and plan for any required upgrades.

Identify campus space needs and plan for and support **post-pandemic learning environments** including technology and infrastructure upgrades.

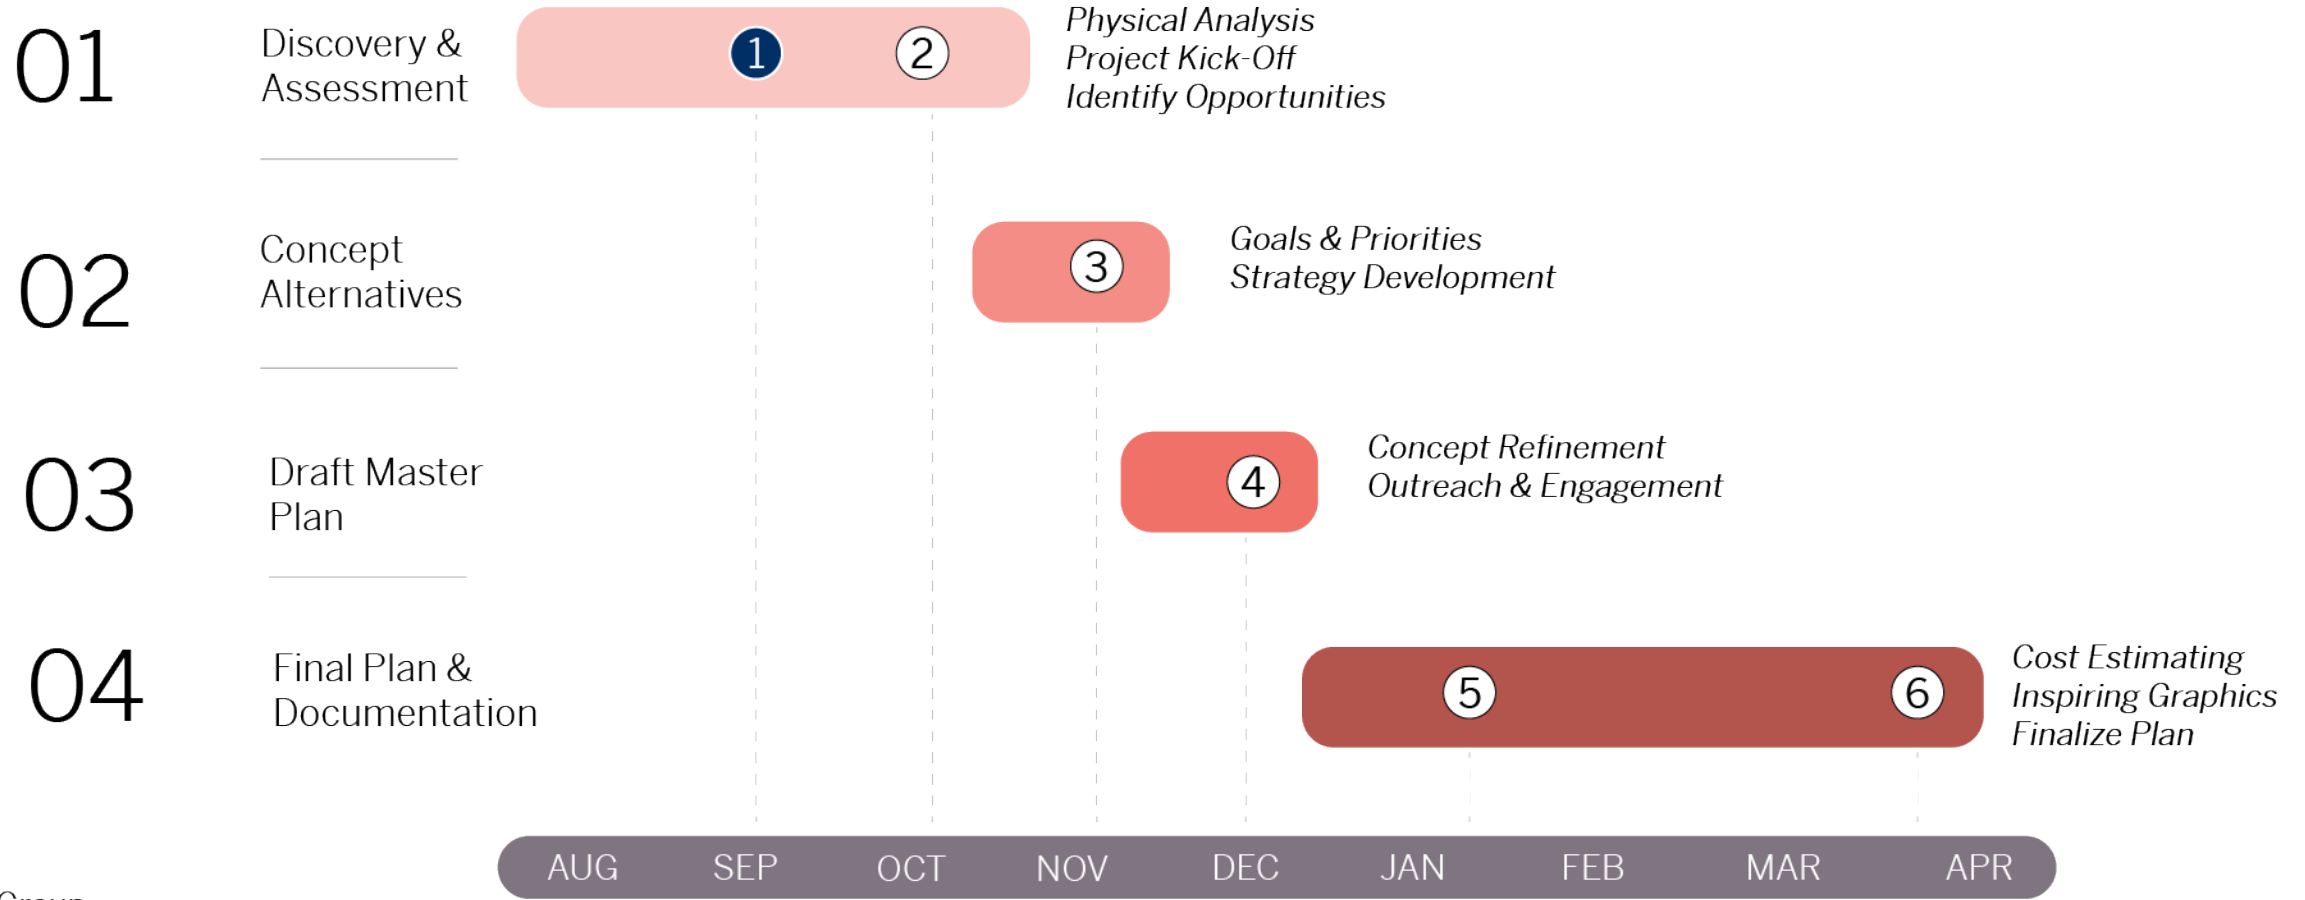

Support student success through **enhanced campus experience**, establish places for all, and support new ways of learning, collaborating, and working.

Prioritize **sustainable practices** in facilities use and maintenance especially in energy use and alignment to state and national net zero goals.
