

# Proposing a Childcare Taskforce

---

Phi Theta Kappa with Support from  
Student Senate

# The Problem & Why It Matters

---

- We do not have a childcare facility on campus
  - College of San Mateo and Skyline College have facilities
- Possible recession on horizon
  - Anticipate more parents & guardians attending community college
- Serve both Early Childhood Education students & parents/guardians

# History

---

- 1990's - Childcare program in relocatable building, serving 50 students
- Building 22 was built to be a permanent childcare center
- 2001 Recession - Cañada renovated Building 22 for adult education
- Many administrators have wanted to resume the plan

# Connection to the Educational Master Plan

Goal 4.2: Basic Needs, Ensure the Physical Campus is  
Accessible:

**“Build student housing and a Childcare Center”**

# What Students Are Asking For
