

ESCALA Educational Services works with faculty of all disciplines at HSIs and shows them how to take active steps to disrupt assumptions that can block success in college. Activities will show faculty **how to embed small but meaningful changes in their teaching practice and interactions with students.**

Demonstrations will include discussion protocols, punctuated lectures, learning goals, and formative assessments. Evaluation methods and results at other HSIs will be discussed.

DISRUPTING NARRATIVES AND BUILDING TRUST IN THE LEARNING PROCESS

FLEX DAY, OCT 9
From 9AM-4PM

WORKSHOP

ESCALA Educational Services
Dr Melissa Salazar
Dr. Catherine Berryhill
Dr. Melissa McAlexander
