**Overall Commendations:**

**The Program Plans have given us the opportunity to learn more about your programs especially TRIO Upward Bound and VROC. You're doing a great work for students.**

**Overall Recommendations:**

For TRIO, we would like to suggest SAO to measure the level of students' satisfaction of TRIO services – counseling, transfer, tutoring, ect... We would like to see Students Success and Retention in TRIO program and this may help justify institutionalizing TRIO.

**Overall Program Effectiveness:**

- Highly effective
- Effective
- Needs program improvement

**Overall Commendations:**

**Overall, these programs show that students are connected and being served. Glad to see that programs are getting creative with other funding sources to expand services.**

**Overall Recommendations:**

I would recommend adding more information on number of students services, persistence and retention success rates. Also, considering the type of students served, it would be great to connect with our Equity committee either for funding support and or data inquiry.

**Overall Program Effectiveness:**

- Highly effective
- Effective
- Needs program improvement

**Overall Commendations:**

**Program descriptions and major accomplishments were very well done. Upward Bound is doing an excellent job on collecting SAO and SLO data as evidence of program effectiveness.**

**Overall Recommendations:**

Overall, TRiO and BTO/VROC need to work with the PRIE office to develop measurable SLO's and SAO's for 2016-17 cycle. The programs seem to be effective but evidence needs to be collected and shared. I was unable to locate position, equipment or professional development requests, but I read in the program reviews that there is a big need in these areas.

**Overall Program Effectiveness:**

- Highly effective
- Effective
- Needs program improvement
